## FUNDRAISING

Among other responsibilities, board members play a key role in raising funds for our organization. It is an expectation of board service that you will introduce people in your sphere of influence to our work and invite them to know and do more – as prospective volunteers, board members, staff and as donors. RTWI commits to providing you with the information and tools necessary for you to stand as a vocal and visible ambassador for our work.

Further as part of our Give/Get Strategy, we expect every board member to make an annual financial commitment for each year of board service **that represents one of the most significant donations you make each year.**

Can you speak to your level of comfort with this expectation?

**TIME**

Board service is a true commitment of time and energy. We estimate that board service could be a commitment of 4 to 6 hours each month depending on our activities. In addition to regular board meeting attendance, we ask for participation on a minimum of one of our three committees which include Governance, Internal Affairs or External Affairs.

Do you have any concerns or potential conflicts that may serve as impediments to this time commitment? If so, how will you manage the demands on your time?
